RIDE SMART

SLOW DOWN BEFORE YOU SPEED UP. Crashes can happen on your first lap. Ride the trail multiple times to get familiar with the features and equipment you're on so you can confidently push your limits without pushing your threshold. Jumping skills are required for free-ride trails.

PRE-RIDE

Warm up the brain and body by inspecting the trail at low speed. Take the time to check your equipment.

RE-RIDE

Lap the trail a few times and get to know the flow of the feature.

FREE-RIDE

Start small and work your way up to faster speeds and larger features.
