

# Boyne Highlands Race League 2019

Welcome to Boyne Highlands Thursday night race league for the 2019 ski season. The format for each night of racing is as follows:

- Course will be open for inspection from 5-6:25 pm. There will be **NO** practice runs only inspection. Slipping each of the courses is highly recommended for everyone's safety.
- At 6:30 pm every Thursday night racing will commence and go until 8:00pm or until every racer has gone through each course once.
- There is no starting order. All races are done on a first come first serve basis until each competitor has completed one run in each course.
- After each competitor has completed their two runs, they are welcome to practice in the course but only the first two runs will count for team totals.
- Our pacesetter will run each course once and this will be done about halfway through the race. This is done for handicapping purposes of all racers.
- Substitutions due to an injury or other major event is only allowed up to week 5
- All participants must be 18 years old or older. (If under 18 and caught or suspected of drinking on property you will be kicked off the team with no substitution for the team!!)
- There is room for 10 individuals on each team. However only the 5 fastest racers on each team will count for point totals for the team.
- One partition point is awarded for each racer on a team that makes one run each night of racing.
- Snowboarders **WILL** receive an extra ½ point extra for each night raced towards team totals. However, if you race one race with a snowboard you have to race the remainder of the season on a snowboard. This rule is in place to help out snowboarders so they can be more competitive and **NOT** for point gouging!!
- Point totals are calculated by using the NASTAR handicapping system. The higher the medal the more points are earned for team totals.
- Each race night points will be calculated and results will be posted on the board in the Zoo Bar usually between 8:30-9pm. Individual and team results will be available after official results have been posted. If you are interested in seeing your results or times of others you can always go to [live-timing.com](http://live-timing.com) while the race is in progress.
- First official night of racing is on January 10, 2019
- Last official night of racing is on February 28, 2019
- Awards dinner is on March 7, 2019 starting at 6:00 pm with dinner and door prizes.
- Awards will be given out to the most improved male and female skier and snowboarder based on starting handicap in each discipline.
- Awards will be given out for the overall fastest male and female skier and snowboarder in each discipline.
