Why Choose Mountain Masters?

Mountain Masters is an excellent feeder program to our other seasonal programs; NMSA (Northern Michigan Ski Academy), Highlands Alpine Team, and Highlands Race Team. Each of these programs has a competitive racing component as the foundation for their on-snow experience. Mountain Masters is the perfect program to introduce your child to snow sports as they will be taught by PSIA/AASI trained instructors in small group classes. The hallmark for our instructional programs is “Safety, Fun, and Learning” and your child will learn proper fundamentals while meeting new friends and exploring the iconic terrain of The Highlands. We look forward to having your child participate in our program this winter season!
